SCOTT BROTHERS

THE FAMILY BUTCHER

We've been catering for events for over 20 years, happily feeding people at all different types of parties, from weddings and private parties to business open days and in-house company functions in the Dundee area. Just focus on having a good time and we'll make sure the food lives up to the occasion, with our party buffets or platters, canapés or barbecues.

We provide all the equipment and staff to cook the agreed menu, and set up the food for a buffet style self-service. Should anything be unclear or if you wish to discuss a different menu, then please email or call.
